II. OVERVIEW OF SETTLEMENT BENEFITS

Settlement Class Members are eligible to receive:

- ❖ **Reimbursement for Documented Monetary Losses:** All Settlement Class Members may submit a claim for reimbursement of Documented Monetary Losses fairly traceable to the Data Breaches **up to \$25,000** per individual. Documented Monetary Losses may include, without limitation, unreimbursed losses relating to fraud or identity theft; professional fees including attorneys’ fees, accountants’ fees, and fees for credit repair services; costs associated with freezing or unfreezing credit with any credit reporting agency; credit monitoring costs that were incurred on or after the Data Breaches through the date of Claim submission; and miscellaneous expenses such as notary, fax, postage, copying, mileage, and long-distance telephone charges. Settlement Class Members with Monetary Losses must submit documentation supporting their Claims. This can include receipts or other documentation not “self-prepared” by the Claimant that documents the costs incurred. “Self-prepared” documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but can be considered to add clarity or support other submitted documentation; **AND**
- ❖ **Residual Cash Payment:** All Settlement Class Members may claim a cash payment currently estimated to be approximately \$60, but of up to \$599. The residual cash payment may be claimed in addition to a claim for Documented Monetary Losses (the exact value of the cash payment will be calculated after deducting payments for valid Claims, Administrative Costs, Service Awards,

and Attorneys' Fees and Expenses); **AND**

- ❖ **California Statutory Payment:** Settlement Class Members who resided in California at the time of the Data Breaches may elect to receive a statutory cash payment of up to \$100; **AND**
- ❖ **Credit Monitoring Services:** In addition to all of the above, all Settlement Class Members may claim three (3) years of three-bureau identity theft protection and Credit Monitoring Services.

These Settlement benefits are subject to *pro rata* reduction as needed in the event that the total claims exceed the \$31,500,000.00 cap on payments to be made by Defendant. Specifically, in the event that the aggregate amount of payments for unreimbursed documented Monetary Losses and California Statutory Payments exceeds the remaining amount in the Settlement Fund after payment of Attorneys' Fees and Expenses, Service Awards, Administrative Costs, and Credit Monitoring services, then each Settlement Class Member's Claim for documented Monetary Losses and California Statutory Payments shall be proportionately reduced on a *pro rata* basis, and there will be no Residual Cash Payment. The Parties do not anticipate any *pro rata* decrease.
